

# Mantri Pinnacle

After creating landmarks across South India, Mantri Developers, India's leading real estate developer, is set to change the skyline of Bengaluru with the launch of their iconic luxury project — Mantri Pinnacle, the tallest residential tower in South India.

Located at Banerghatta Road, Bengaluru, Mantri Pinnacle is a 46 storied tower that offers a breathtaking view of the city. With 133 residences, Mantri Pinnacle offers world-class planning and lavishly proportioned houses, with all the essentials of gracious living.

Landmark features of this iconic project include four penthouses offering accommodations of unrivalled splendor with a private swimming pool and landscaped rooftop terraces. Each duplex, straddling three connected floors with a personal elevator opening into each penthouse. Crowning the tower and commanding the most impressive views are a Sky Lounge on the 41st floor and observatory on the 42nd. Residents can also avail of a helipad on the 46th floor. **RP**
